Fellowship for Teaching in Active Learning Classrooms

The AHC Active Learning Classroom Fellowship Program is designed to support AHC faculty to teach using effective pedagogical approaches in Active Learning Classrooms.

Complete the application and upload the commitment letter from your dean/chair. If you are applying as a team, a commitment letter is required from each faculty's dean/chair.

Are you applying as a team or as an individual?  
○ Team application  
○ Individual application

First name (team member 1)

Course subject and number that you will be transitioning to be taught in an active learning classroom (e.g., Nurs 3705)
__________________________________

Title of course that you will be transitioning to be taught in an active learning classroom
__________________________________

When is this course taught during the academic year?
__________________________________

What is the level and type of students that enroll in this course?
__________________________________

How many students are typically enrolled in the course?
__________________________________

Provide a description of how the course is taught now. In that description:
• Address how often the course meets and the length of each class session.
• Describe the teaching and learning strategies used in the course (e.g., lecture, small group).
• Describe the usual strategies used to assess learning (e.g., online testing, in class testing, papers).

Using the criteria for selection, describe how you would transition the course to be successfully taught in an active learning classroom.

Upload the support letter from your department chair/dean
